

The National Association of Geoscience Teachers

Dear Strabo,
Thank you so much for taking part
in the 2018 Earth Educator's Rendezvous
as an exhibitor. We at NAGT were
so pleased and proud to promote
Strabo's excellent resources among
the conference's audience of Earth
educators, researchers, and graduate
students. We hope you enjoyed your
exhibitor experience and that you
had a wonderful time at the Rendezvous.
Thank you again, from all of us at
NAGT!
